Help Homes4NC and Your Business

Set yourself apart from the competition and show clients that you really care about your community by making a contribution to Homes4NC in their name. Some REALTORS® and housing industry partners have committed a certain amount for each of their closings; others make a contribution as a closing gift. Either way, your clients will see that you are an ardent supporter of helping those less fortunate in your community achieve the dream of homeownership.

When you enroll in the closing contribution program, Homes4NC will provide you with customized, high-quality certificates to present to your clients.

Participating in the closing contribution program is a small gesture that makes a big impression on clients and prospective clients. And getting started is easy. Just complete the form below and email to narnold@ncrealtors.org. For more information, call Nicole at 336-808-4237.
