**NC RPAC IS A KEY COMPONENT TO OUR LEGISLATIVE STRENGTH IN
NORTH CAROLINA. THE POWER OF REALTOR® ENGAGEMENT HELPED TO:**

- **Repeal the Privilege License Tax.** Members are no longer required to obtain a \$50 statewide license for the privilege of practicing their profession.
- **Support affordable housing** by successfully advocating for continued funding of the Housing Trust Fund and Housing Finance Agency.
- **Keep REALTORS® working** by successfully advocating for real estate being designated essential during the pandemic. This included modernizing transactions by passing legislation to allow real estate closings to close remotely from start to finish.
- **Protect** the mortgage interest and property tax deductions from elimination, helped prevent a 8.05% tax on real estate services and commissions and prevented a 1% statewide transfer tax.
