

Printable: Federal Economic Area Reports

How do I create a Federal Economic Area Report?

● Login to RPR at www.narrpr.com.

1 From the top toolbar, select your profile photo or initials.

2 Click *Association Tools*.

3 Select *Economic Area Reports*.

4 Click *Federal Economic Area Report*.

5 Pick your geography.

a Choose your *State*.

b Choose *U.S. Congressional District* as your Geography Choice (or *State* if you are an FPC for a Senator).

c Select your assigned district.

6 Customize your report cover. There are options to brand your cover with one or two logos along with your personal contact and profile information. *Note: Profile info pulls from your RPR Profile page.*

7 Run your Report.

Printable: Local Economic Area Reports

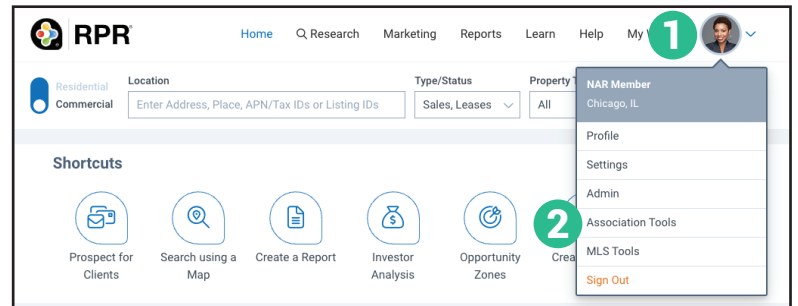

How do I create a Local Economic Area Report?

● Login to RPR at www.narrpr.com.

1 From the top toolbar, select your profile photo or initials.

2 Click *Association Tools*.

3 Select *Economic Area Reports*.

4 Click *Local Economic Area Report*.

5 Define your geography. You have three options...

a Select areas on a map.

i Follow the *Map Wizard* prompts. Name and save your area.

ii Select your saved area from the *Saved Report Area* dropdown.

b Enter a ZIP code, MCD or County. Click *OK*.

c Pick a *State Legislative District*.

i Select a *State*.

ii Select a *Geography*.

iii Select a *District*.

6 Customize your report cover. There are options to brand your cover with one or two logos along with your personal contact and profile information. *Note: Profile info pulls from your RPR Profile page.*

7 Run your Report.
