Contributions to RPAC are not deductible for federal or state income tax purposes. Contributions are voluntary and are used for political purposes. Suggested amounts are merely guidelines and you may contribute more or less than the suggested amounts. The National Association of REALTORS® and its state and local associations will not favor or disadvantage any member because of the amount contributed or a decision not to contribute. You may refuse to contribute without reprisal. Your contribution is split between National RPAC and the State PAC in your state. NC RPAC supports the efforts of National RPAC and contributes a portion of its contributions to National RPAC. Contact your State Association or PAC for information about the percentages of your contribution provided to National RPAC and to the State PAC. The National RPAC portion is used to support federal candidates and is charged against your limits under 52 U.S.C. 30116. In-kind contributions/donations are not included for the purposes of the National RPAC State PAC split. NC law requires political committees to report the name, mailing address, job title or profession and name of employer or employee's specific field for each individual whose contributions aggregate in excess of \$50 in an election cycle. Contributions can only be accepted from individuals in the form of personal checks or credit cards. Contributions from corporations or business entities cannot be accepted.
