Suggested amounts are merely guidelines and you may contribute more or less than the suggested amounts. The National Association of REALTORS® and its state and local associations will not favor or disadvantage any member because of the amount contributed or a decision not to contribute. You may refuse to contribute without reprisal. Your contribution is split between National RPAC and the State PAC in your state. NC RPAC supports the efforts of National RPAC and contributes a portion of its contributions to National RPAC. Contact your State Association or PAC for information about the percentages of your contribution provided to National RPAC and to the State PAC.
